LOCAL ROAD MAINTANENCE AGREEMENT **VILLAGE OF PARK RIDGE**
CITY OF STEVENS POINT

RESOLUTION NO.

WHEREAS, the connecting highway along new STH 66 (old USH 10) extended from Wilshire Boulevard to the I-39 southbound interchange on-ramp within the Village of Park Ridge (Village) and City of Stevens Point (City) after the completion and opening of the new USH 10 bypass from STH 34 north to I-39, as agreed to between the State of Wisconsin (State), City, and Village in the State Jurisdictional Transfer/Connecting Highway Rescission/Extension Agreement #244; and

WHEREAS, new USH 10 bypass was completed and opened to traffic on June 27, 2009; and

THEREFORE, BE IT RESOLVED THAT the City agrees to accept maintenance responsibility for the new connecting highway through the Village and under the conditions described below:

1. THE VILLAGE WILL:

   A. Turn over maintenance control for the new connecting highway segment through the Village to the City. Permitting control will remain under the authority of the Village.

   B. Collect the connecting highway aids from the State for this segment.

   C. Remit all connecting highway aids collected for maintenance of the segment to the City as received.

2. THE CITY WILL:

   A. Accept the maintenance responsibility for the new connecting highway segment along STH 66 through the Village. General maintenance activities include the application of protective coatings, the removal and control of snow, the removal, treatment and sanding of ice, interim repair of highway surfaces and adjacent structures, and all other operations, activities and processes required on a continuing basis for the preservation of the highway. Maintenance activities also include the installation, replacement, rehabilitation, or maintenance of highway signs, traffic control signals, highway lighting, pavement markings, and intelligent transportation systems.
