## Agenda Notes

3. We are starting to get requests to hold disc golf tournaments at Yulga Disc Golf Course from outside groups/organizations. In the past, our local Disc Golf Assoc. has run a number of tournaments at the course with all the proceeds going back into the course. After talking it over with Randy Schukar from the Disc Golf Association, I would like to propose that the city require a special use permit for disc golf events that use the course.

Any group/organization wishing to hold an event on the course that is over 25 golfers would be required to pay a fee of 20% or \$3.00 per entrant whichever is less. Also, any large events of over 60 players should have the ability to close the course during the hours of play as needed. For reference, large tournaments usually take approximately 3 hours. During this time, there is usually a break, which would allow an opportunity for random groups to play a quick round during that time, without interfering with the tournament.
