TO: Board of Public Works  
FROM: Scott Schatschneider, Director of Public Works  
RE: Rocky Run Bridge Deck Epoxy Overlay Bid Approval

The bid opening for this particular project is scheduled for Monday, August 18<sup>th</sup>. Normally, waiting for a regularly scheduled Board of Public Works Meeting would not be an issue. However, given the somewhat temperature sensitive nature of the epoxy overlay process and the amount of ideal days for this type of work starting to dwindle, I would like to have the contractor start sooner rather than waiting another month.

Thank you for your consideration in this matter and if there are any questions, please feel free to contact me.
