Re: Application for Historic Preservation/Design Review Commission

Dear Mayor Wiza and Mr. Ostrowski,

I wish to be considered for the opening on the Historic Preservation/Design Review Commission. I have a very strong personal interest in the preservation of older buildings including the rehabilitation of the three home that my wife and I have owned. That includes our current residence at 1424 Clark Street. We choose to live in the center of Stevens Point not only for convenience but also to play a part in helping to maintain the vitality of the downtown businesses and and neighborhoods. I hope that through my involvement in the Historic Preservation/Design Review Commission, I can make a further contribution to the City of Stevens Point's continued development.

In terms of my personal background or resume, let me high-light some relevant.

- We moved to Stevens Point in 1987. when my wife took a job as a professor at UWSP
- We have lived at our current, 1424 Clark Street since 1990.
- We've raised three children in Stevens Point
- I have a Masters Degree in Social Work from UW-Madison, 1977
- From 1989 until 2014 I worked as a School Social Worker for the Stevens Point School District.
- During those years, I've served on a number of social services related boards and committees in the area.
- I am currently retired.

Thank you for your consideration of my application and I look forward to the opportunity to be of service to the community.

Sincerely,

Joe DeBauche
