RE: CAP Services' **Take a Step 5K** run/walk for Family Crisis Center

CAP Services requests approval for the 9<sup>th</sup> annual Take A Step 5K run/walk fundraiser for the Family Crisis Center. The event will take place on Tuesday, July 19<sup>th</sup> at 6:00 pm at the UWSP Allen Center on Illinois Ave. The route will remain the same, traveling Illinois Ave north to Maria Drive, Maria Drive east to Michigan Ave and then north on Michigan Ave through North Point Drive to the turn-around just before DuBay Ave with the return on the same route.

CAP Services is requesting:

- road closing of Illinois Avenue from Maria Drive to the UWSP Parking Lot Q for the duration of the event-4pm to 7pm.
- no parking along Illinois Avenue from Maria Drive to Lot Q.
- no parking on Maria Drive from Illinois Avenue to Michigan Avenue.
- the use of traffic cones on Maria Drive and Michigan Avenue to designate route.
- use of part of the roadway for the race route.

The event is a collaborative effort between the National Wellness Conference and CAP Services. A sufficient number of volunteers are recruited to assist participants along the course. The Stevens Point Police Department provides volunteers with reflective vests to be worn during the event. This is the 9<sup>th</sup> annual "Take a Step 5K" and we are estimating the number of participants to be approximately 500. We believe this event is manageable with the number of volunteers we are recruiting.

The Family Crisis Center provides shelter and advocacy services to victims of domestic and sexual assault. The theme for the event is "Take a Step 5K". We believe that communities working together can take a step to help end family violence.

Sincerely,

Mary Patoka  
CAP Services CEO/President

TO: Alderperson Stroik, Chair, Public Protection Committee  
FROM: Elbert Rackow, Chair, Deer Management Committee *E. R.*  
SUBJECT: Proposed Change in Policy of what is done with Culled Deer  
DATE: April 1, 2011

RECEIVED  
APR 01 2011  
CITY CLERK'S  
OFFICE

1. The Deer Management Committee is requesting approval of a change in policy for what is done with culled deer. Since the City began deer culling the culled deer have been donated to residents of the area who signed up to receive field dressed culled deer. First priority was given to residents of the City. Second priority was given to owners of property in the City who do not live in the City. Third priority was anyone else.

2. The policy below is submitted for consideration and possible approval.

**Donation of Culled Deer.** Culled field dressed deer shall be donated to any of the food pantries in the Stevens Point area that are able to pick up culled deer on short notice and are willing to accept the costs of processing the culled deer.

3. **Discussion.** The Deer Management Committee has assumed that many of the people who signed up to receive culled deer were persons who had low incomes and needed help feeding their families. If the City donates the culled deer to a food pantry the food pantry will take the responsibility of screening the recipients of the culled deer. Also, the Committee has lost the services of the person who has been receiving culled deer from the culler and then has seen that the culled deer got to the proper person.

4. Thank you for considering this request.
