

**SPECIAL FINANCE COMMITTEE  
SEPTEMBER 19, AT 6:45 P.M.  
COUNCIL CHAMBERS – 1516 STRONGS AVENUE**

PRESENT: Mayor Halverson; C/T Schlice; Director Ostrowski; Alderpersons Moore, Molski, Stroik, Brooks and Suomi

**1. CONSIDERATION AND POSSIBLE ACTION ON APPROVING A CONTRACT WITH ACCESS GEOGRAPHIC IN THE AMOUNT OF \$23,521 FOR AERIAL PHOTOGRAPHY SERVICES THROUGHOUT THE CITY AND SURROUNDING AREA.**

C/T Schlice stated we typically pay about double this price for a photo map of a section of the City. This will give us a full picture of the City at considerable savings.

Director Ostrowski stated we are getting a great price because the contractor is letting us piggy back with others that are having a map of the area prepared. The last map was produced in 2005. The picture would be taken between October and April when all the leaves are off the trees. This would go out to Hwy J to cover the sewer service area.

Ald. Wiza suggested the restriction in 2.1 “when streams are not within normal banks” should be stricken. They may also be selling photos to Google, which enables the lower rate.

C/T Schlice stated this would be a commitment for the 2012 budget.

Motion made Ald. Moore, seconded by Ald. Molski to approve the contract with Access Geographic in the amount of \$23,521.00 for aerial photography services through the City.

Ayes: All                      Nays: None                      Motion carried.

Adjournment at 6:48 P.M.
