1. CONTRACT WITH CLEAN POWER LLC FOR CROSSING GUARD SERVICES.

Chief Ruder requested that the committee pull the contract off the agenda. He has been working with the crossing guards about taking a reduction in pay to \$16 an hour which would equate to \$8.00 a crossing with the Police Department still administering the program. The overall costs will be about \$30,000.

Chairman Moore stated at this point, there was nothing to take action on. This will be placed on the January Finance agenda.
