

Many people are unaware of the availability of bus travel in Stevens Point. Convenient one hour, and half hour routes make travel through our city an option for all, whether you're a Senior who's given up your car, a student, a person with disabilities, or just want to cut down on your carbon footprint- the Travel Trainer can assist you to get where you'd like to go! If you have travel needs other than the bus, the Travel Trainer can assist you in knowing what other options are available in Portage County.

If you would like to learn to get around town on your own, call and schedule a training. Individual and Group Trainings are available.

Travel Training is a Program provided by Stevens Point Transit to assist people to know their travel options in Portage County and develop the skills to use them with confidence.

If you are not driving and have places to go we can help you to:

- learn the bus system
- plan your route
- find options
- schedule rides
- and more...

Travel Training is Just the Ticket to help you Get Where You Want to Go-Independently!

If you'd like assistance in learning to ***travel around Stevens Point and Portage County***- simply call:

(715) 341-4490

to schedule an appointment with the **Travel Trainer!**

This is a program provided by Stevens Point Transit. There is no cost to the Travel Training service. Regular bus fares do apply.
