Chairman Moore called the meeting to order.

1. Discussion and possible action on side letter with AFSCME Local 348 (Clerical and Related).

Human Resource Manager referenced her cover memo that was included in the packet. She clarified that Ms. Kruzicki's position in the City Assessor's Office was eliminated as part of the 2012 City budget. She also indicated that AFSCME Local 348 has responded in the affirmative with regard to crediting Ms. Kruzicki with prior service with the City of Stevens Point. The Union has further agreed that doing so for this individual would not set a precedent.

Alderman O'Meara moved to approve the request to credit Pam Kruzicki with prior service as it relates to benefits under the current AFSCME Local 348 labor agreement (i.e. vacation accrual, longevity, etc.), the reinstatement of her sick leave balance at the time of her employment separation and progression to 100% of the pay rate at a more rapid progression; Alderman Slowinski seconded.

Ayes all; nays none. Motion carried.

2. Adjournment ~ 6:01 p.m.
