Re: Public Protection Committee Agenda Items

1. All new and renewal Operator's license requests meet the requirements to hold a license and have been approved by the Police Department. Both the Portage County Democratic Party Picnic and St. Stanislaus Steak Feed are annual events. We have had no issues with these events. The Lemon Grass Noodle House currently has a class B beer and wine license. They wish to sell liquor. We currently have two "Class B" Combination Licenses available. Big Hunchie's is looking to change their Agent. The new agent has been approved by the Police Department. The last three items are requests to renew their current licenses. No issues have been brought to our attention regarding their renewals.
- \*2. We have two request for street closures this month. The Pointoberfest and 5K Blubber Run and Corn on the Curb are annual events that have been approved by the Police Department.
3. Please see the memo attached.

Dear Members of the Public Protection Committee:

You will note a new agenda item asking for topics for future consideration. In my daytime job, the chairperson of my Solid Waste Management Board added this item to all agenda several years ago. She felt it would better engage members, broaden perspectives and serve as a conduit for concepts to move from "idea" to "policy". Given my absolute respect for her public policy acumen and her inclusive leadership, I have opted to model this method and include it on the agenda.

Please note this is not a discussion of topics/ideas. I will not allow any discussion past a brief sentence or two to describe a topic/idea. If there is a need for additional information, either from the alder or staff, it will occur at another time in preparation for a meeting and subsequent discussion on a properly noticed agenda.

This is an experiment in public policy engagement. I hope it is successful. If it is, then it will be a regular agenda item. If it is not, it will no longer be listed.

With best regards,  
Meleesa
