Chairman Slowinski called the meeting to order.

Discussion and Possible Action On:

1. Updated Transit Drug and Alcohol Testing Policy.
Human Resource Manager Jakusz referred to the cover memo included in the packet as the basis for the update to the policy.

Chairman Slowinski asked if any committee members had questions regarding the policy. Alderperson Johnson asked about the training for supervisors and the frequency. Human Resource Manager Jakusz replied that the City's EAP is fortunate in that it offers the services of a Substance Abuse Professional. The training was offered a few years back and based on the amount of turnover of supervisors in the past year, she is scheduling a session for this summer. The training is offered for all the supervisors who have employees covered under a random testing policy, whether it is DOT (Department of Transportation) or bargained.

Alderperson Johnson moved to approve the updated Transit Drug and Alcohol Testing Policy, Alderman Shorr seconded.

Ayes all, nays none. Motion carried.

2. Adjournment – 6:05 p.m.
