2. Approval of the March 1, 2000 Minutes

McDonald and Aldinger were an excused absence.

Motion was made by Aldinger, seconded by Sachs to approve the Minutes of the March 1, 2000 meeting with the noted corrections.

Ayes; all, Nays; none. Motion carried.

3. Recommendation on Naming and Signage of Disc Golf Courses

Schrader recommended that the disc golf course being constructed adjacent to the Whitetail Subdivision be named the Yulga Disc Golf Course.

Because of the donation of the land, by the Yulga s, we will have a park named after Mr. Yulga just south of the Whitetail subdivision. Also, several holes of the course are on the future Yulga Park. The other name that was considered was Whitetail, but with a street in the Whitetail subdivision named Whitetail, we feel that it may confuse players. By having them see the street name Whitetail, they may think the street will take them to the course. Also it was recommended that a directional sign be placed on the corner of Wojcik Memorial Drive and Torun Road, directing players to the first tee.

The Patch Street course is on land leased from Consolidated and they have no problem with whatever name we choose. The name McDill Pond Disc Golf Course would help people in locating the course, because of the location adjacent to the McDill Pond.

Schrader explained that the signage would be on a 8 1/2" by 11" colored laminated paper. That way, changes could be made without constructing new signs when changes are made, thereby saving money.

Motion by Somers, seconded by McDonald to name the new Disc Golf Courses the Yulga Disc Golf Course and the McDill Pond Disc Golf Course and proceed with the proper signage.

Ayes; all, Nays; none. Motion carried.

4. Request to Hold Special Event on July 15th in Pfiffner Pioneer Park "Jamaican Splash" (William F. Green)

Schrader stated that he talked to Mr. Green and the event has been canceled, due to lack of volunteers. He stated that he will try again next year.

5. Discussion on Daily Agenda for Tater Town Nationals July 21, 22, 23, 2000 (Tater Town National Committee)

John Tomaszewski appeared before the Commissioners requesting any ideas, problems, etc. with the upcoming event. He highlighted a few attractions such as the pony rides on Saturday which would be held from mid morning to mid afternoon. A wagon, holding three to four children, would be pulled by ponies on the Green Circle trail and around Bukolt lagoon.

Schrader stated that the trail is narrow and may present a problem with walkers, and bikers when they approach the ponies/wagon and may have to get off the trail to avoid being hit. It was noted that they would cleanup after the ponies, etc.

Tomaszewski questioned when the shut down times is for bands and Schrader stated that they need to shut down at 10:45 p.m. with one encore to last until 11:00 p.m. He also wanted to know if they could start putting up fencing, on Monday of that week, leaving gaps for traffic and Commissioners found no problem with that.

Nealis questioned how long the muffler rapping contest would last and Tomaszewski said for about 45 minutes. McDonald wondered about the noise factor and he said it would only affect the people near by. It was also noted that this is an "alcohol free" event and plans are to have the Mayor, Schrader, CVB members, etc. to start off the festivities on Thursday evening, with a social at the Best Western.

6. Update of Room Tax Committee

Schrader stated that there will be a meeting on April 17th at noon at the Pfiffner Bldg. to look at the upstairs and also to tour the All-purpose lodge in Iverson. April 19th is the next room tax meeting and will probably be two months before the final decisions are made.
