

STEVENS POINT TRANSPORTATION SERVICES

POINT PLUS PARATRANSIT

We offer a paratransit service program for individuals with a disability whose condition prevents them from using the fixed route bus service.

Paratransit is a door-to-door demand response service where the vehicle does not follow a fixed route or schedule.

The service is shared ride, so riders may share the vehicle with other riders during their trip.

For information on any of our programs please give us a call or go to our website.

Bus route directions are also available on Google Maps!

This program is funded in part by the Federal Transit Administration (FTA) as authorized under 49 U.S.C. § 5310 Mobility Options of Seniors and Individuals with Disabilities Program (CDA 20.521).

STEVENS POINT CITY BUS

Our fixed route buses pick up and drop off at designated bus stops and times throughout Stevens Point, Whiting and Crossroads Commons in Plover. All fixed route buses are wheelchair accessible and equipped with bike racks.

TRAVEL TRAINING

One-on-one training designed to help individuals learn to travel safely and independently on public transportation.
